- This level allows you to customize your giving to any amount you choose. Or if you have any new or excellent condition used tack, western clothing, horse gear or other beneficial item(s) you feel the camp or girls could benefit from.
- Each donation of any size helps toward the cost of the camp. All the teachers and facilitators are volunteers and there is a large cost to the facilities as well as the material and supplies to make this camp happen.

All donations are tax deductible. Your partnerships will help reach more campers and support those who would otherwise be unable to attend. Rodeo Queen University is an out-reach for Destiny Center International.
